Motto: QUOD VERUM TUTUM – “What is true is safe”

The National Bible College is an inter-denominational Christian organisation originally established in 1932 at Harrow Weald in Middlesex England.

The aim of the College is to proclaim the integrity and Divine inspiration of Holy Scripture as the word of Almighty God; the Gospel of the coming Kingdom of heaven on earth; and with that in view, the Gospel of personal salvation in The Lord Jesus Christ.

The College further emphasises the identity, significance and responsibility of the Anglo-Saxon, Celtic and related Christian nations as witnesses for Almighty God in the world.

The National Bible College originally held properties both at Harrow Weald in Middlesex England and Buckingham Gate in London.

Dr. William Pascoe Goard F.R.G.S (1863 - 1937) was an early founder principal of the College. He was born in Cornwall, England, but later moved to Canada and in 1912 became minister of the Knox Congregational Church in Vancouver (later renamed Grandview Congregational Church). He served as a Methodist minister for over 40 years. In 1930 Dr. Goard attended a special ceremony at the Chicago Kent College of Law at which he was awarded the degree of "Doctor of Laws and Logic" in recognition of excellent scholarship for his book *The Law of the Lord: The Common Law* (1928)

In 1936 a Faculty of the College at Harrow Weald inaugurated a Correspondence Course for the benefit of those unable to attend College lectures. Although the College buildings were commandeered by the British Government for use by the RAF after the outbreak of war, the Correspondence Course, which had proved such a popular adjunct, continued to expand considerably, and students enrolled from Cornwall to the Orkneys; from Newfoundland to British Columbia; from New York to Venezuela; Australia and New Zealand; Africa from the Cape to Kenya; and from many other countries.

Students included men and women from almost every walk of life. That correspondence course has formed the basis for our revised Distance Learning Programme operating from our headquarters in Bishop Auckland.
